Friends and Fellow Members:

Hope everyone is enjoying the great weather and all the amenities of our club!

Your Board of Directors and club officers are working hard and making a lot of progress toward resolving the difficulties that came out of our 2015 AGM. Careful consultation with legal experts has confirmed that our by-laws and meeting procedures have not conformed to Jalisco civil law for many years, if ever and will have to be re-written over the next several months. As previously communicated, this also means that the January AGM is null and void, and must be rescheduled.

Keep in mind that challenges like this can always be overcome. In the long run, I think we’ll be able to look back and see that we have put the Club on a more stable legal footing and made it a better place for the entire membership.

Please note that due to the AGM problems, the 2015 dues and fees approved at that meeting are not yet in effect, and until approved again, members will be billed at the 2014 rates. Any over/under billing that occurs will be adjusted in future statements. Your understanding and support is appreciated while this is resolved.

Meanwhile … the Golf Committee and Ramiro have seen to it that our tournament schedule is proceeding well, with the Men’s Club Championship, Ladies Super Senior, Men’s Calcutta, International Women’s Rotary, and Amigo Cup Tournaments coming up this month. These are all fun events, so sign up and enjoy!

Clubhouse events have been well-attended and everyone seems to have enjoyed the food, entertainment, and socializing. Kudos to Rodney, Javier and the house staff.

The course has been in good shape and our greens staff continues to make improvements in all aspects of maintenance. Right now, they are spending a lot of time and effort on irrigation issues. They are focused on setting up new pump and control systems professionally designed to give better coverage and more efficient use of our water resources. Thanks to Jim Campbell, Greens Superintendent Mauricio Aguirre and all the grounds crew.

Looking forward to a great month of March with regards to all,  

Charles Temple  
Acting President
Amigos y Compañeros Miembros:

Espero que todos estén disfrutando del buen clima y todas las comodidades de nuestro club!

Su Consejo de Administración y los funcionarios de los clubes están trabajando duro y haciendo un gran progreso hacia la resolución de las dificultades que surgieron de nuestro 2015 AGM. Una cuidadosa consulta con expertos legales ha confirmado que nuestros estatutos y procedimientos de reunión no se han ajustado a la ley civil Jalisco desde hace muchos años, si alguna vez y tendrán que ser re-escrito en los próximos meses. Tal como se informó anteriormente, esto también significa que la AGM de enero es nula de pleno derecho, y debe ser reprogramado. Debemos ser capaces de confirmar una fecha para el final de esta semana.

Tenga en cuenta que los desafíos como éste siempre se pueden superar. A largo plazo, creo que vamos a ser capaces de mirar hacia atrás y ver que hemos puesto el Club de un fundamento jurídico más estable y lo hizo un lugar mejor para todos los miembros.

Tenga en cuenta que debido a los problemas de AGM, las 2015 cuotas y tarifas aprobadas en esa reunión aún no están en vigor, y hasta que sea aprobado de nuevo, los miembros serán facturados al precio 2014. Cualquier encima / debajo de facturación que se produce se ajustará en las declaraciones de futuro. Su comprensión y ayuda es apreciada mientras que esto se resuelva.

Mientras tanto... el Comité Golf y Ramiro han ocupado de que nuestro calendario de torneos está avanzando bien, con el Campeonato de Hombres Club, Damas Súper Senior de Calcuta de los hombres, la Asociación Rotaria Internacional de la Mujer, y Amigo Copa Torneos viene este mes. Estos son todos los eventos de diversión, por lo que se inscriban y disfrutar!

Eventos Casa club han sido muy concurrida y todo el mundo parece haber disfrutado de la comida, el entretenimiento y la socialización. Felicitaciones a Rodney, Javier y el personal de la casa.

El curso ha sido en buena forma y que nuestro personal verdes seguir haciendo mejoras en todos los aspectos de mantenimiento. En este momento, se están gastando una gran cantidad de tiempo y esfuerzo en temas de riego. Se centran en la creación de nuevos sistemas de bombeo y control de diseño profesional para dar una mejor cobertura y un uso más eficiente de nuestros recursos hídricos. Gracias a Jim Campbell, Superintendente Verdes Mauricio Aguirre and todo el equipo de las instalaciones.

Mirando hacia adelante a un gran mes de marzo con respecto a todos,

Charles Temple

- If you really want to get better at golf, go back and take it up at a much earlier age.

- If your opponent hasn’t played the course before, don’t be a spoilsport and ruin all the surprises.

- The score (or handicap) a player reports should always be regarded as his opening offer.

- Error must go somewhere. If your driver is hot, your putter is ice cold; if you can hit your irons, you will top your woods; if you are keeping your right elbow tucked in, your head will come up.

- The secret of golf is, use your real swing to take the big divot, use your practice swing to make the shot, and always hit the do-over first.

- One good shank deserves another.

- When your shot has to carry over a water hazard, you can either hit one more club or two more balls.

- If you’re afraid a full shot might reach the green while the foursome ahead of you is still putting out, you have two options: you can immediately shank a lay-up, or you can wait until the green is clear and top a ball halfway there.

- Always limp with the same leg for the whole round.

Requests from the CCC Library

- The library currently stocks books and movies. I think most people aren’t aware of our movies, but we have a few. They are located on the rear shelf in a basket. Please feel free to check them out and add to our small collection.

- There has been a suggestion made to include jigsaw puzzles in the library. We have room for a few, if you are interested in donating jigsaw puzzles, please leave them next to the book drop basket in the library.

- Please return books to the book drop basket, this enables me to determine what books people are reading.

- To help you find books you might be looking for there is an index (white binder) on the top shelf as you look toward the first hole. If you know a title and don’t know the author, leave me a note and I will see if we have it in our library. Don’t forget to leave your phone number.

KIDS AND THEIR FUTURE

WORLD CHANGE STARTS WITH EDUCATED CHILDREN

Good news and then not so good news; let’s have the good news first. As a parting gift prior to his moving to Puerta Vallerta, Country Club de Chapala member Wayne Gibson donated $3,000 M P to the KIDS AND THEIR FUTURE FUND. We so appreciate his generosity. We also thank Rob Edwards for helping in the transaction that made this donation possible. A donation of this size will help a good many of our students and their hard-working parents. We just added our forty-fifth student.

And, the not so good news...? It seems that registrations for the Amigo Cup, our only fund raising activity, are coming in very slowly this year. The Tournament is scheduled for March 26th, so it is less than a month away. The 2014 Amigo Cup boasted a playing field of 76 golfers, almost all of whom were Country club members. We hope by the
time TEE TALK has gone to press, the number of teams planning to play will be equal to that number who participated last year.

KIDS AND THEIR FUTURE Committee members are hard at work promoting our event and publicizing the need for your support. Committee members hope you have all had a chance to see the photos of our students in the display cases near the Pro Shop. **Who wouldn’t want these kids to have every chance at a future that a good education promises?**

We guarantee a fun tournament with our lean and green approach well in place. We are handling most of the printing ourselves from our home computers, are by-passing the need for tickets for play, or dinner only, are canvassing the local merchants for worthwhile prizes and locating sponsors to help underwrite some of the expenses. **PLAN TO JOIN US ON MARCH 26**![ More information is available in the Pro Shop.

*We would like to claim this thought but must attribute it to John Wood who left a lucrative career at Microsoft to found ROOM TO READ, an international program dedicated to educating children in developing nations. John Wood is the author of LEAVING MICROSOFT TO CHANGE THE WORLD.

**NIÑOS Y SU FUTURO**

**UNDO CAMBIO COMIENZA CON NIÑOS EDUCADO**

Buenas noticias y no tan buenas noticias; vamos a tener la buena noticia primero. Como regalo de despedida antes de su mudanza a Puerta Vallerta, Country Club de Chapala miembro Wayne Gibson donó $ 3,000 MP a los niños y su futuro fondo. Apreciamos su generosidad. También queremos agradecer a Rob Edwards para ayudar en la operación que hizo posible esta donación. Una donación de este tamaño ayudará a una buena parte de nuestros estudiantes y sus padres que trabajan duro. Acabamos de añadir nuestro cuadragésimo quinto estudiante.

Y, la noticia no tan buena? Parece que las inscripciones para la Copa Amigo, nuestra única actividad de recaudación de fondos, están llegando muy lentamente este año. El torneo está programado para el 26 de marzo, por lo que es menos de un mes de distancia. El Amigo de 2014 contaba con un campo de juego de 76 jugadores, casi todos los cuales eran miembros de club de campo. Esperamos por la Camiseta de la charla el tiempo se ha ido a la imprenta, el número de equipos que planean jugar será igual al número de los que participaron el año pasado.

Los miembros del Comité Niños y su Futuro están trabajando duro en la promoción de nuestro evento y dar a conocer la necesidad de su apoyo. Los miembros del Comité espero que todos ustedes han tenido la oportunidad de ver las fotos de nuestros estudiantes en las vitrinas de cerca el Pro Shop. ¿Quién no querría que estos niños tienen todas las posibilidades de un futuro que un buen promesas de educación?

Garantizamos un torneo grande con nuestro enfoque magra y verde bien en su lugar. Estamos manejando la mayoría de nosotros la impresión de nuestros ordenadores domésticos, estamos pasando por alto la necesidad de que los boletos para el juego, o sólo la cena, están sondeando los comerciantes locales para los premios que valen la pena y la localización de patrocinadores para ayudar a financiar algunos de los gastos. **PLAN unirse a nosotros el 26 de marzo! Más información está disponible en el Pro Shop.**

* Nos gustaría reclamar este pensamiento, pero debemos atribuirlo a John Wood, quien dejó una lucrativa carrera en Microsoft para HABITACION a LEER, un programa internacional dedicado a educar a los niños en los países en desarrollo. John Wood es el autor de DEJANDO MICROSOFT PARA CAMBIAR EL MUNDO.
